The Chinese have an ancient proverb that there are five points to the compass: north, east, south, and west, and fifth, the point where we are. I am inclined to believe with the Chinese, that the fifth point is the most important of the five, for unless you know where you are, it does not do quite enough good to know your directions. Too, where a person might be makes a certain difference in what is the right course to take.

In a free society an individual is given every opportunity to determine his location and use its social agencies to chart his course. Since no one knows the future, then the individual's direction should not be governed by the environment from without, but should depend on what is within.

As MCHS prepares to enter a new building and a new era, the Bitterroot turns to the past to present a brief history of our high school.

The first city high school was established before the turn of the century, and was located on the site of the present Central School. In 1890 classes were moved to the site of the old Willard School and included under the University program. After the University moved to its present location, the high school remained at the Willard School.

The school originally offered preparatory courses for entrance to the University. However, in 1901 the Board of Trustees of District No. 1 voted to build a separate high school building. In 1904 the present Roosevelt School was built and operated as a city high school until 1906.

By 1906 the new location on Sixth Street was too small and financial difficulties arose from the dual cost of operating both the high school and the elementary schools. Missoula County electors voted for a County Free High School April 7, 1906. The first principal was Prof. J. Franklin Thomas, formerly a mathematics teacher, who headed the faculty of seven for 200 students.

In 1908 the high school was moved from Roosevelt School to the present Higgins Avenue site. By 1910 the new building was inadequate, so the board decided to rent space in what is now a garage next to the Bitter Root Market on Higgins Avenue. By 1913 the school was so crowded again that attic rooms in the school were used for home economics and art classes.

Mr. G. A. Ketcham became principal in 1912 and by 1916 he faced the over-crowded school problem. The school board submitted a bond issue for an addition to the building which carried, but increased costs due to World War I made it impossible to build the addition. In 1920 a bond issue carried to build the annex on Higgins and Eddy for physical education and manual training. Bonds also were passed to add a north wing to the main building.

...n Review

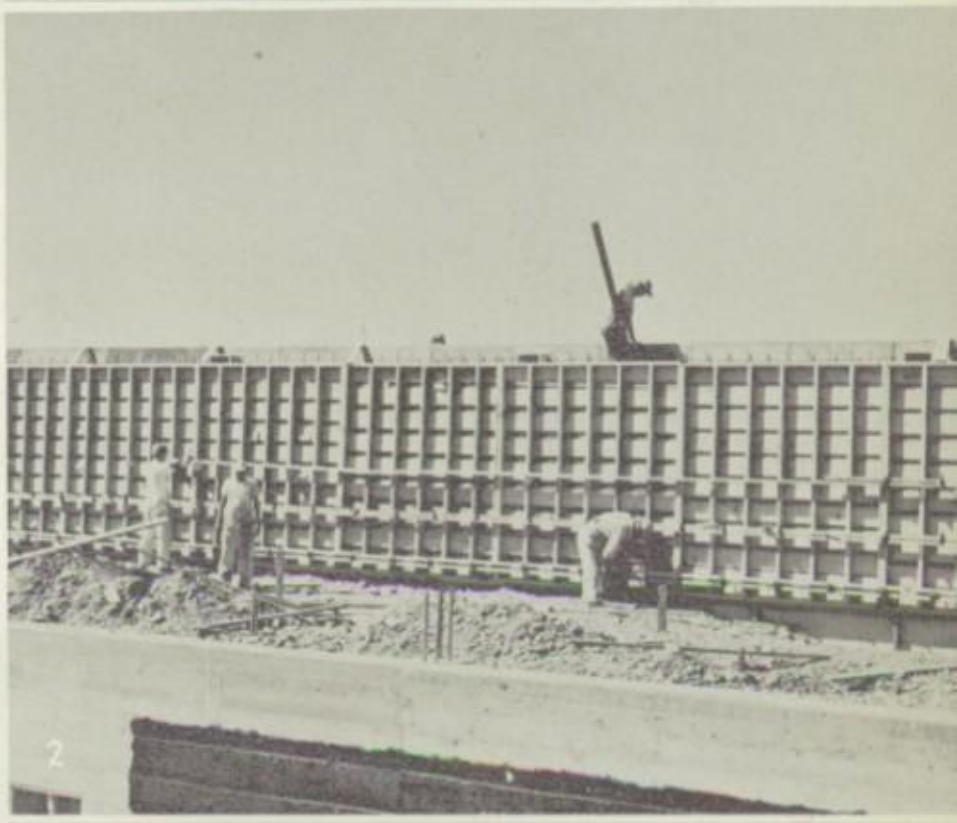
In 1931 the south wing was built, but on Sept. 15, 1931, the high school was gutted by fire. This new addition, with all its new class rooms and auditorium, had been used only one day. Classes were reorganized all over the city, using the city library, the University, and elementary schools when they weren't in session. The school board approved a new building which was opened a year later, Sept. 17, 1932. The new school was soon busy with its regular program plus relief projects due to the depression. Enrollment increased rapidly as students could find no work in the community and the school offered many new, appealing vocational subjects.

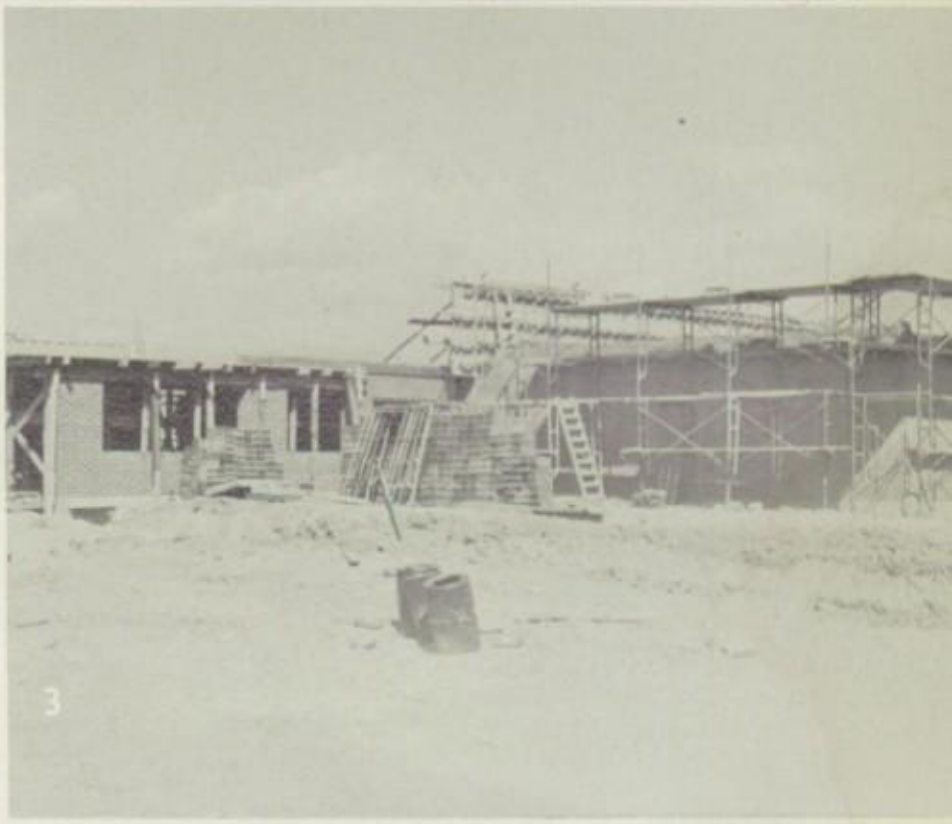
In 1940 the Toole property east of the school was purchased and a bond issue approved. Before the building was completed World War II broke out. Despite lack of equipment and hardships in obtaining supplies, another addition to MCHS was opened in 1942. Enrollment in the armed forces and families moving to war industry centers lowered the number of students atending classes in the high school.

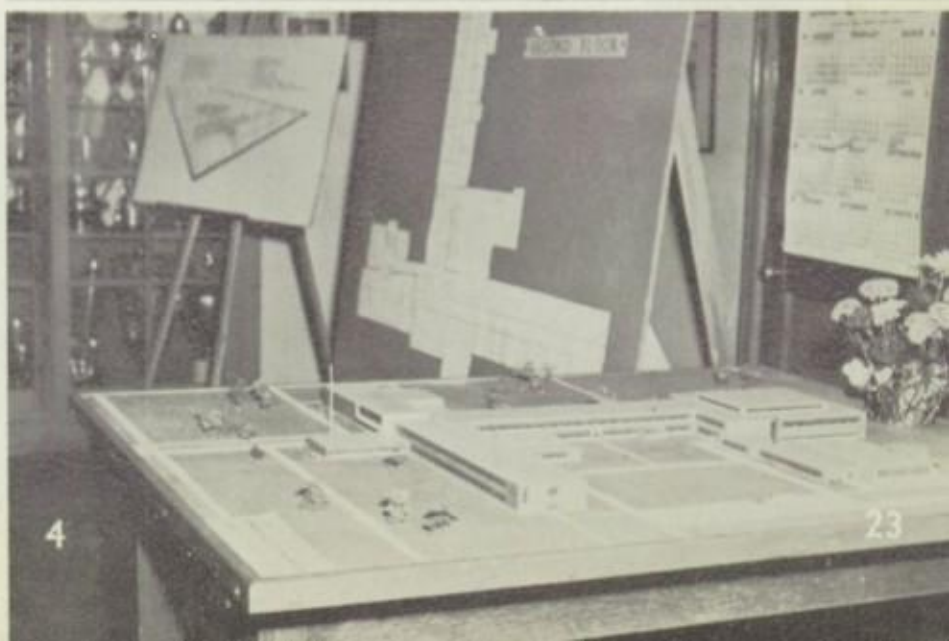
Jan. 9, 1945, marked the end of the thirty-three year administration of Principal G. A. Ketcham. The board selected D. H. Beary as principal Feb. 28, 1945, and he assumed his duties the following September.

Since then the familiar pattern has continued—one of steadily increasing enrollments, adjustments to meet the needs of students in changing times, bondings, and building plans in line with advancing educational demands that have characterized the growth and development of MCHS. New courses have been added and others revised; many extra-curricular activities have been brought in.

Now, in 1956, part of MCHS will move to the new high school on Hale Field, and the school which has increased to more than 1600 students, will operate in two buildings.







1. The first floor takes shape last August, 1955. 2 and 3. Construction progresses with the removal of forms and the beginning of the brickwork in the fall of 1955. 4. The building model depicts MCHS—complete.

Faculty Activities

Under the direction of local MEA officers and social committee, MHS faculty members attended several functions during the year.

A week-end at Seeley Lake at the beginning of the school year replaced the usual picnic. Teachers and their families went swimming, fishing, and boating, and the more daring took their first try at water skis.

The home economics department gave a tea in the Home Living Center at Christmas.

Faculty members and their families really cut capers at the Valentine Dinner party in the lunchroom. Four "teams" competed in stunts and games, with a family portrait contest the highlight of the evening.

The annual banquet was given in the spring.

Enthusiastic juniors earned more money by selling hot dogs, peanuts, and pop at football games than any previous class.

Besides these concessions, juniors sold booster pins during basketball season, participated in the Noise Parade, and presented their assembly and a pep skit.

The "Junior Jump" was held early in the year by the class and the annual Junior Prom in the spring.

Juniors decorated for Baccalaureate and Commencement.

Officers of the class were: president, John Datsopoulos; vice president, Vodie Rhinehart; secretary, Carlene Flaherty; and treasurer, Teddie Niemeyer. Miss Mary Riley was class advisor with the assistance of Miss Ann Fowler.

Seated from left: Carlene Flaherty, Vodie Rhinehart, Teddie Niemeyer, Pam Baker. Standing: Zoe Ahl, Judy Thorton, Max Ulver, Paul Pramenko, Harry Haines, Bill Reely, Laura Lewis, Barbara Lee.

MISS MARY MAURER

The Drama department encourages students to participate in the various aspects of dramatics. Besides the acting parts in the Thespian productions, there are always many more roles to fill in backstage and house work. D. H. Andrew heads this department, which maintains a sixth period stagecraft class for those interested in Dramatics. More and more people are becoming interested in the many and varied department activities.

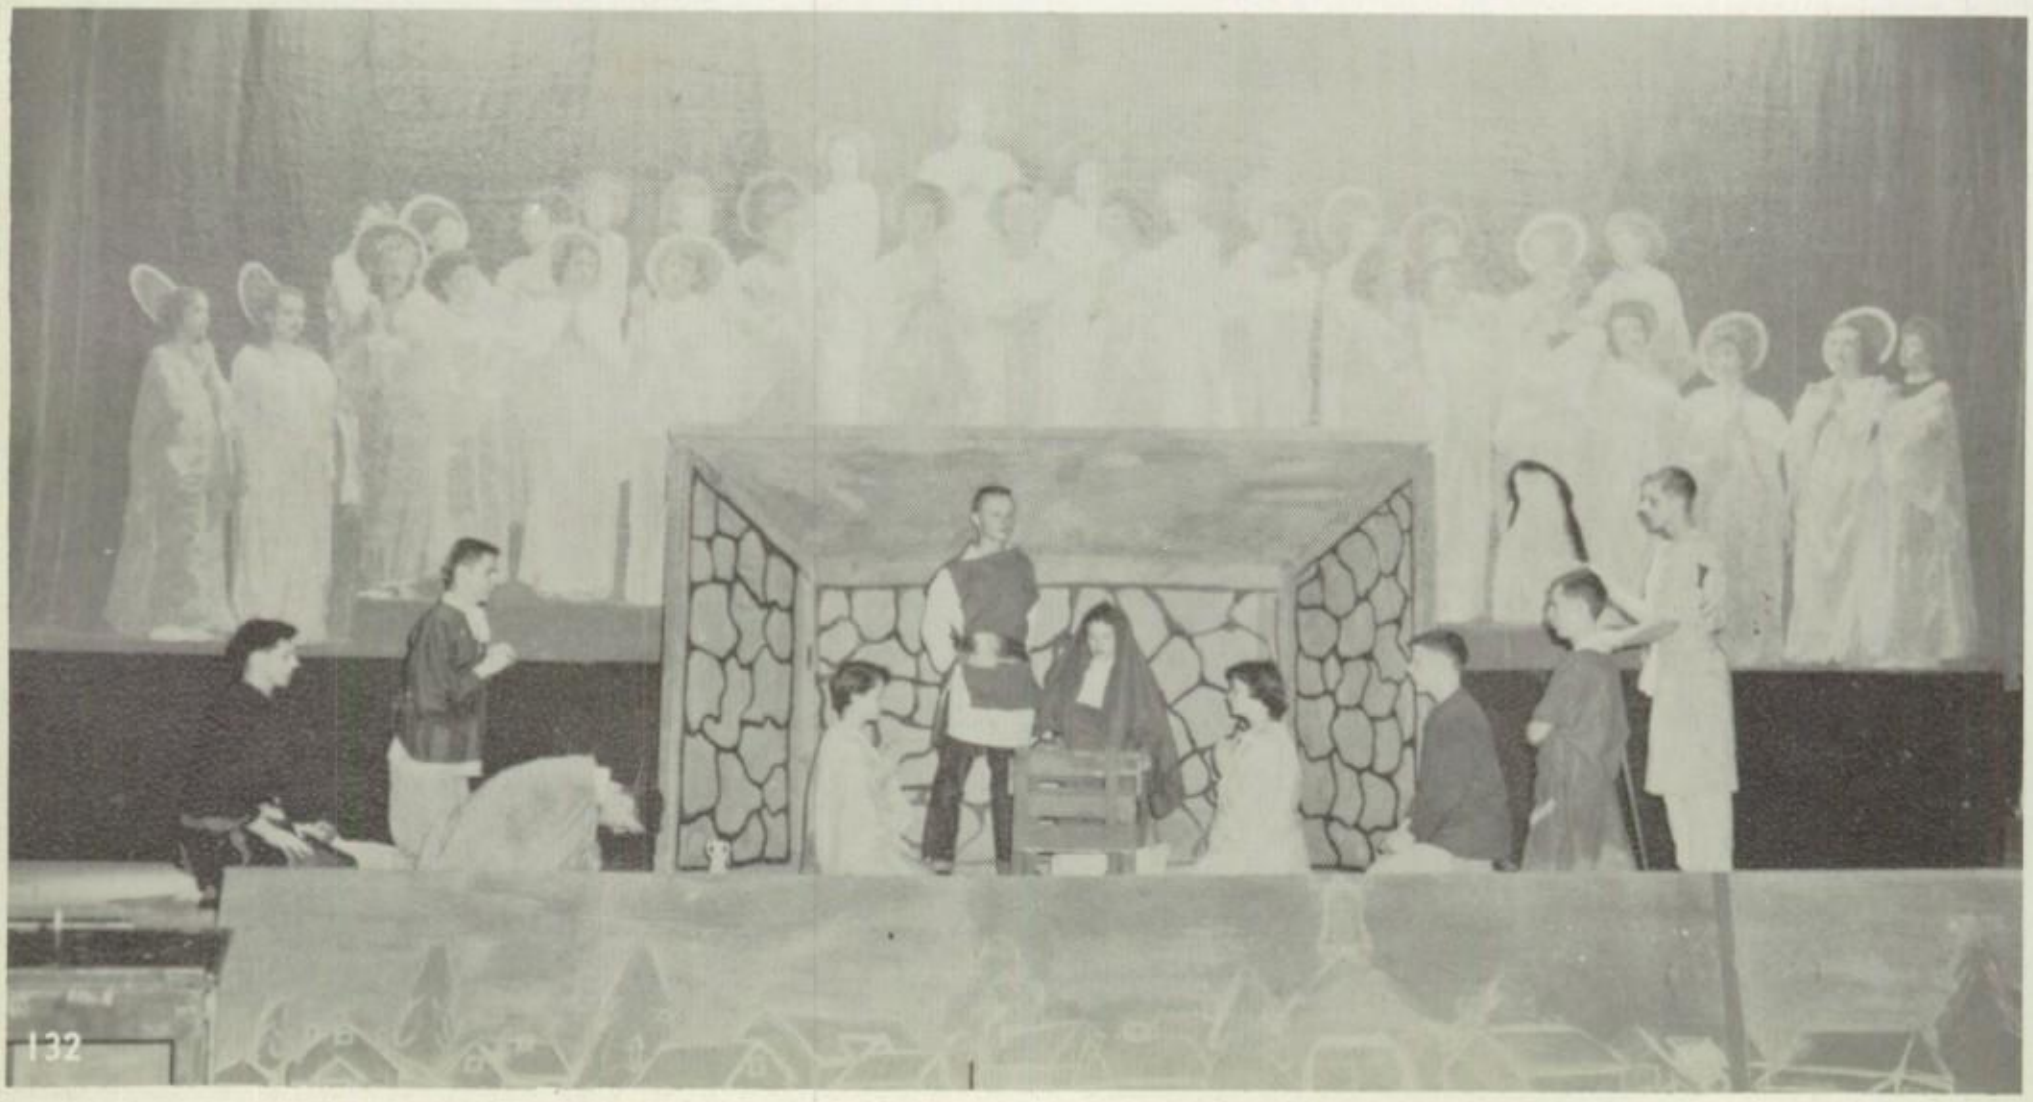
The traditional Adoration was presented, with Judy Flightner playing the part of the Angel Gabriel. John Honey was Joseph and Janet McFarlane was Mary. A short narration from the Bible opened the proceedings.



"The Curious Savage"

First Thespian production of the year featured a double cast, which alternated performances. A fast moving comedy, it concerned a wealthy old lady who was committed to an insane asylum by her children who were after her fortune. Miss Maurer and Mr. Andrew co-directed the play, which provided laughs and surprises for the audience.

Leading roles were: Mrs. Savage, Gloria Eudaily and Pat Roark; Hannibal, Dusty Farnum; Titus, Jerry Domer; and Fairy May, Alphie Holst and Teddy Niemeyer. Other cast members included Bea Anderson,. The play starred Dave Mann, Kurt Fiedler, and Russell Smith. A five-piece band, directed by Jud Maynard, provided music throughout the performance.

The story centers around a poet (Mann) and his son (Fiedler) who have no money or worldly goods. An old man (Smith) has his faith in life rekindled by the youngster's interest in music.

"Box and Cox"

Presented as a curtain raiser to "My Heart's in the Highlands," this humorous farce concerned two men who lived in the same room without knowing it, and who both wished to get rid of the same woman. Matters drew to a climax but the two finally decided to stick with it. Jean McGrew, Kay Pappas, and Harry Fritz made up the cast.

Throughout the year the staff of the Konah labors under the delusion that it's putting out a newspaper. This high school tabloid makes its appearance every Friday under the watchful eye of its sponsor, "Jolly John" Linn.

This "sheet" is edited by staff members who spend the previous quarter training in 5J for the ever-current feud with a superior publication—the Bitterroot. The editors, in lieu of working on the Konah, attend MIEA meets and Pacific Slope conferences.

As far as this paper is concerned, most people just read the sports page and neglect the rest of the paper, but one can always see a freshman ogling the news scoops or dim witticisms. Years later, while the annual is one of the graduate's most cherished possessions, the Konah is remembered as just the periodical that came out between Bitterroots.

ANACONDA—7 MISSOULA—40

The Spartans' first victory this season came at the expense of the Copperheads. The running of Joe Pepe, Frank Damaskos and Leo Kottas was a big factor in the win, with Bruce Olson, Joe Porter and Jack Cooper helping. The team showed strong blocking, satisfactory passing and good rushing throughout the game, played at home. Coach Hal Sherbeck was pleased with this initial showing.

MISSOULA—13 BUTTE CENTRAL—7

Two touchdowns in the first quarter by fullback Kottas and Porter's conversion accounted for all of Missoula's points as the Spartans took the Maroons for their second non-conference win at Dornblaser Field. A 33-yard run by Kottas and a recovered Maroon fumble set up the scores. Maroons threatened once in the second period, then scored in the third on a pass.

Following a Gallatin score, Tom Drinville intercepted a pass, and Pepe ran 55 yards to pay dirt with Porter converting. Bill Edinger got two points on a safety, then Pepe took the Bozeman kick-off and ran 75 yards for six points. Both teams scored once more before the final gun. The line stopped the Bengals cold, the blocking was good, and the passing and secondary were strong, as the Spartans won one of the most lopsided games in Class AA history.

Pepe scored the first touchdown and Kottas added three more on beautiful long runs. Olson passed for one touchdown to Lindsay. Blocking and offense were excellent.

MISSOULA—20 BUTTE PUBLIC—0

The Spartans came back with three touchdowns after a scoreless first half to whip the Bulldogs by 20 points. Pepe scored in the third period on a pass from Olson, followed by Kottas in the fourth after he sparked a sustained 70-yard drive. A minute later Maclay blocked a punt and John Matte recovered in the end zone for six more points. The line which Coach Sherbeck declares is the best he ever coached, held the Bulldogs once when they were on the Spartan three. This game truly showed the power of the Missoula eleven.

STATE CHAMPIONSHIP GAME

MISSOULA—32 BUTTE CENTRAL—6

In zero weather the red-hot Spartans outclassed Butte Central and won the State Class AA Championship 32 to 6. Pepe ran for two touchdowns and Olson passed to Edinger for three more. Porter kicked two conversions. Missoula's defense was almost impregnable and the backfield was effective on the frozen field. The team, acclaimed as the mightiest in Montana high school history, completely overshadowed Central in every way, and the Maroons' six points, coming on a 40-yard pass interception runback, were in vain. It was a fitting climax to the undefeated ten-straight season of Coach Hal Sherbeck.

Five Spartans were named on the AP All-state football team, four on the second team, and three received honorable mention.

Kottas, Nooney, Pepe, and Lindsay were at the top of the newly-formed Class AA Big 10 in scoring.

Twenty-two members of the 1955 squad of 33 were seniors.

An Awards Assembly and a Victory Sock-dance ended a terrific season.

Spartans emerge from the dressing room to take the floor against a Double "A" foe.

MISSOULA vs POLSON

A fast finish gave Missoula the season's first victory in a non-conference game. The score was tied at 30 all with 4:28 left in the last quarter, but points by the game's top scorers Bill Burklund, Bruce Olson, and Dennis Reber salvaged a 45-36 win. Olson sprained his foot quite seriously, but was back in action after two weeks.

MISSOULA vs GALLATIN

The Hawks, one of the two teams to take the Spartans twice in the regular season, won here 65 to 53 and in Bozeman 75 to 54. Dave Lien, on the varsity team after one superior game with the Bombers, scored 11 points in the first encounter. Leroy Bolin and Reber led scorers, and Burklund helped. In both games the Hawks shot over 50 per cent to account for the victories. Reber and Bolin led Spartan second-game scoring.

MISSOULA vs PARK

Playing an excellent game in the shooting and rebounding departments, the Purple and Gold took the first game of the series from the Rangers 66 to 45. Reber led all scoring with 26 points, Bolin followed with 16, and Lien had 10. Spartans showed improvement in this game, but in their second encounter the Rangers won 60 to 54. This game was even in all respects but free throws, where Park held a 22 to 16 edge. These six points won the game.

MISSOULA vs HELENA

Spartans scored evenly to overthrow the Bengals at Helena 70 to 50 and played a hot and cold game at home to win 68 to 58. Bolin led Spartan scoring in both contests, with Lien, Olson, Burklund, and Reber also contributing points.

The six Spartans who drew the season's starting assignments are, left to right: guard Joe Pepe, forward Bruce Olson, center Dennis Reber, forward Dave Lien, and guard Leroy Bolin. In the middle is guard Bill Burklund.

MISSOULA vs BUTTE CENTRAL

The Maroons beat Missoula twice this year, finishing strong in the Field House game for a 59 to 47 score, and taking the final season game at Butte 68 to 49. No one seemed to be hitting against the Central 5, as individual Spartan scoring never topped 13, but was evenly distributed.

MISSOULA vs FLATHEAD

Missoula had to rally in both games and come from behind to trim the Braves in hard-fought contests. The Braves got a fast start at the Field House but Missoula shot well and ended with a 16 point advantage, 63 to 47. Flathead had a 10 point halftime margin in the student-bus-trip game at Kalispell, but a 23-point third quarter, when the Braves got 9, sewed up the victory for the Spartans, 70 to 61.

MISSOULA vs BILLINGS

Playing a strong game at Billings, the Spartans, behind the 29 points of Reber and Bolin's 10 baskets, went ahead in the fourth quarter and tripped the Broncs 76 to 66. At Missoula the Spartans solved a zone defense and shot well in the second half to win, with Bolin hitting 24, Reber 17, Olson and Lien 10, to make the final score 71 to 58.

BRUCE OLSON

MISSOULA vs GREAT FALLS

Missoula squeaked by the Bisons twice, once by one point 53 to 52, and once by three, 69 to 66.

A large Bison lead disappeared at Great Falls, as Olson sank timely baskets and Bolin hit 19 and Reber 11. Bisons missed four shots in the final minute and Missoula controlled the ball to win.

Dan Balko staged a scoring duel with Leroy Bolin at Missoula and won, but the Missoula team showed better balance, with Bolin getting 20, Lien 16, Reber 15, and Olson 10. Balko hit 24.

Missoula scored 48 points in both games, but Anaconda hit more often to win the second.

WESTERN DIVISION TOURNAMENT

The late-season slump that cost Missoula its last two conference games also cost the team its first two tourney contests and a chance to be represented in the State Tournament at Butte. Helena, last year's state champions, were also eliminated.

First Butte (70 to 42) and then Butte Central (71 to 51) ran over the Spartans. On the final day, Anaconda and Great Falls met for the championship.

An outstanding Grizzly three-letter man of the past, he was appointed MSU's assistant football coach, Freshman basketball coach, and head baseball coach.

In four years as head Spartan football mentor, his teams won the Class AA Championship title three times, in 1952, 1953, and 1955. The 1953 team was unbeaten, the 1955 squad unbeaten, and untied. His overall record is 28 wins, 5 losses and six ties.

The Bomber basketball teams which he coached compiled a creditable 49-18 record. His 1955-56 squad went unbeaten in 15 games.

PLENTY OF ELECTRICITY
MEANS MORE JOBS

A few years ago, the word "job" probably meant something unpleasant to you — a household task like chopping wood, doing dishes, cleaning house or mowing the lawn. Today, though, the word has a different . . . more exciting . . . ring to you. It means employment. All of you want jobs . . . and pay.

Electricity is a factor in determining where a business or industry will locate. The community with a plentiful supply of power has a better chance of being designated a site for a new business or plant. We have a department that aids in developing the state by actively promoting Montana as a good place to live and work. We have plenty of power. Our rates are considerably lower than the national average.

We're planning and building today to assure adequate power in the future for you and yours.

THE MONTANA POWER COMPANY

Helping Build the State

Just as The Mercantile

. . . is a symbol of quality and integrity, so are the names behind this great western Montana shopping center. These famous labels represent men and women who have devoted their lives to the creation and development of fine merchandise. People who have built THEIR business success upon the same simple principles of honest values and a strict adherence to good standards. Certainly, it is through association with such fine makers that people have come to know The Mercantile as the home-owned store where all of western Montana shops . . . WITH CONFIDENCE!
